All orders received via mail or fax will be charged standard floor rates. Order online at alliantenergycenter.com for best pricing. Payment must accompany order and be received 10 days prior to move in of your event. No returns or exchanges.

VOLTAGE AVAILABLE:

120 volt, AC, single phase.

208 volt, AC, single phase, three phase.

KNOW YOUR POWER REQUIREMENTS

Circuits blown due to excessive loads will not be reconnected. You will be required to upgrade your order to the correct power level plus \$12 for fuse replacement.

Any ungrounded equipment cords will be grounded at the exhibitor's expense.

Electrician is obligated to refuse connections where wiring is not in accordance with local and National Electrical Codes.

High-speed internet connections are provided over CAT 5 wire and have dynamic addressing for ease of access. Each connection is limited to one device. Wired connections are configured up to 10Mbps up/down.

Complimentary Wi-Fi is available in the buildings at 768kbpsdown/ 256kbps up. **3Mbps up/down Wi-Fi** is available in the buildings for \$6/ 24 hours, \$15/3 days or \$25/5 days. All levels are obtained onsite on your device.

Phone service is direct dial and limited to local, 800 numbers and credit card calls only. Most lines require dialing 9 to access an outside line. Lines with direct dial long distance capability are available by special arrangement and require a credit card on file for billing of post-show toll charges. Available indoors only.
